WHIG AND TRIBUNE. Three

Modestly yet truthfully we think while some young gallant will bring | we can say that the WHIG AND your late afflicted partner out to TRIBUNE is a social necessity with Letter, or Post Office Order. I the cemetery on calm Sabbath the people of Jackson and Madison ters should be addressed to the the cemetery on calm Sabbath evenings and whisper love in her ear, as together they strew peanut shells over your grave. Oh why should the spirit of mortal be proud? We base this assertion upon its circulation, and upon the stremous and pains-taking efforts we have making and will continue. An Irishman, being recently on made, are making, and will continue to make, to render it the recogtrial for some offense, pleaded 'not nized organ of a healthy poli' cal

Atlanta Constitution: On Sunday the police arrested an old white lady for raising a row instead of being at church, and carried her to the guard-house. Her son followed her to this retreat for the wicked, and, to prevent her being locked up, deposited a shot-gun as collateral security for her appearance at court. Yesterday morning this hopeful youth marched into the guard-house, accompanied by his guard-house, accompanied by his mother, who looked anything but happy, and stated that he had low- al, unnecessary, and tending to rivet the fetters that an unscrupulous faction would fasten upon us. To be plain and unmistakable, we nail ing, and reckoned he'd have to to the breeze at Nashville on the cordially invite all good and true men, have that gun; that he had conclu-

ed to go a hunting that morning, to our mast-head the banner thrown have that gun; that he had concluded to bring the old woman down, and that they might lock her up and that they might lock her up holitical faith.—The just reward of honest labor—the equalization of honest labor—the equalization of with us in carrying out the following with us in carrying with us and let him have the gan.' The trade was now fixed, and the dutiful son was marching off with his in all authority to powers delegated or all authority to powers delegated or protected, and receive its just reward. gun while the old lady was escort- clearly implied in the Constitution I clearly implied in the Constitution—the destruction of monopolies oppressive to the people—the abolition of all useless offices and the reduction of all useless offices and the reduction of all exorbitant salaries—right economy in the State government should be borne by the whole property of taxes should be equal, uniform and just, and no improper discrimination should be made against any species of property.

Marshals who are confidently expected to spread terror among the whites by arbitrary arrests and brutal treatment, and it would seem to be the wish of United States officers, instigated no doubt by Williams, to invite a conflict; nay, to force the people to defend themselves against the robbers who are raiding through the country in the guise of Deputy United States Marshals, with infantry, cavalry and artillery at their back. 'We all of the second confidence of the second confidence of the law so as to render its execution speedy and certain—a close accountability by revealed in the law so as to render its execution speedy and certain—a close accountability by revealed of tax and the unaintendent of the State government and the maintendent of the Constitution of the United States, and insist that no power should be exercised by the General Government and the unaintendent of the States, and insist that no power should be exercised by the General Government and the unaintendent of the States, and insist that no power should be exercised by the General Government and the United States, and insist that no power should be exercised by the General Government and the United States, and insist that no power should be exercised by the General

and we know that, unless there can be a serious trouble created somehow, Mr. Williams will stand before the world the convicted liar and ingenius devil that he is.'

A LETTER from Geneva, in the A LETTER from Genova, in the Paris Debates, relates two adventages which have befallen M. Rochofort. The landlord of the hotel at which he intended to stay politely begged him to go elsewhere, as Prince Napoleon was one of his guests, and might resent his being under the same root. The other incident might have had a serious resident might have had a serious result. M. Rochefort hired a carri.

abbreviated shape the most impor-

members, of whom 286 were added during the past year by baptism, and 533 by letter and otherwise. The whole amount contributed for Church expenses and benevolent objects was \$12,119 20.

The Disciples of Christ, or the Campbellites, as they are usually called, have spread throughout Great Britain. Their annual meeting for the United Kingdom was What, both these snowy hands! ab, then ing for the United Kingdom was ence.

It is a pitiful sight to see the nouse-fly get out of bed these bout 4,000 members.

Great Britain. Their annual inset in the line ing for the United Kingdom was ence.

To advertisers it is well known that the chief recommendation of a paper is the scope of its circulation and the number and character of its and the number and character of its seem to bout 4,000 members.

How to put money in your purse

Open your pocket-book, take a greenback between your thumband and the ruling of the Bishops may anything in regard to its be overruled: A Russian proverb says: Before going to war, pray once; before going to sea, pray twice; before getting married, pray three times.

They have got so now that they make flour of chalk, and if they could only improve a little on butter a fellow might be happy.

Nothing will sooner tempt a bachelor to abandon his revolution.
